PLATES. SKY GOOD.

RESULTS VERY GOOD.

(DEVELOPED PLATES IMMEDIATELY)

1-1-66

Ken Schopf. Picked up small PMOD dome
from office 4 PM. Everything OK. Happy New Year

1-1-66

D+S RANTON 21:15 - 23:30

TOOK VAR CHTS 03 hrs TO 10 hrs Home
to organize - Chancy

1-3-66

Don Rantoum - Jack Parker - 20:30 - 23:00
Ken obs. + CKing Circles on Armfield
scope. needs adj in Dec. - RA good
but clutch slipping - returns Var Chats

1-8-66

R James 18:55 - 20:05

Socked in Before I could get
the scope open.

Mirror in the Armfield
scope is loose (slides sideways)
Should be fixed before scope
is used very much.
